Luncheon Briefing

The Zero Energy Commercial Buildings Consortium: A Public-Private Consortium for Zero Energy High Performance Buildings

In 2007, Congress passed legislation, which established the Zero Net Energy Commercial Buildings Initiative, and required the U.S. Department of Energy to work with a high-performance green building partnership consortium to include wide representation from the commercial buildings industry. Attend this briefing to hear about efforts to date and how you can get involved in transforming the sector to zero energy.

June 18, 2010 • 12:30 pm – 2:00pm
U.S. House of Representatives
2325 Rayburn House Office Building

Moderator

Doug Read, Director of Government Affairs, ASHRAE
